## MATERIAL AVAILABILITY NOTICE

At Stackabl, we work exclusively with high-quality remnant materials sourced from our trusted manufacturing partners. As a result, our current selection of felt, PET, and stone is shaped by available inventory and may evolve over time. If a selected color or finish is unavailable in the quantity required for your order, we'll notify you promptly and recommend comparable alternatives. We're constantly refreshing our palette – stay tuned for new color and finish drops as unique remnants become available.
